

Christmas Visuals

Visual aids and social stories are very helpful ways to help a child prepare for events. Christmas can be a challenging time of year for many children. The normal routine is not in place, lots of people, presents and decorations. However with support and preparation a child will be less anxious and more able to enjoy Christmas. In this pack you will find:

- Picture Social Story
- Photo Social Story
- Free Visuals
- Free PECS cards

Christmas Picture Social Story

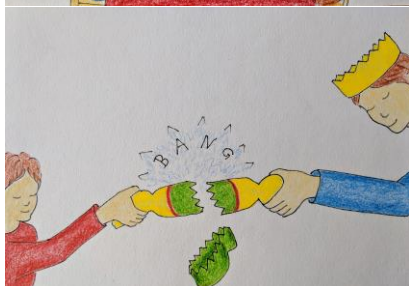

On Christmas morning your stocking is filled with presents.

At Christmas friends and family visit each other.

The house and table is decorated for a special meal. We all sit together for a big meal with our family.

We pull crackers that bang at the table. We can wear hats that are inside the cracker.

We take turns to give each other presents.
